RECREATION.

PROFESSIONAL EXPERIENCES.

March '13- March 2014

Rotatory Internship - Hindu Rao Hospital, Delhi

Started my medical career by being an intern in Hindu Rao Hospital. During my rotatory internship I was posted in all the clinical departments to gain a diverse and in-depth knowledge of the subjects and the skillsets to practice them.

May '14- February 2015

Junior Resident - Hindu Rao Hospital, Delhi

After my internship I joined as a junior resident in General Medicine in the same hospital. Here I was trained in medical emergency, in-patient management, simple conservative procedures and attending out patients as well.

February '15- Present

Registrar - Medica Superspeciality Hospital, Kolkata

Joined as Registrar in the Nephrology Dept. under Dr. Dilip Kr. Pahari, and was in charge of the management of post renal transplant patients and dialysis unit patients.

February '15 - Present

Registrar - Columbia Asia Hospital, Kolkata

Working as Locum/On Call Medical Registrar for the management of general medicine patients.

March '14 - Present

Private Practice- Delhi/Kolkata (Home)

General medicine practice at my residence.
Charity based treatment especially for the poor in my locality.
